

## Bladder: Cancer/Benign Bladder Diseases

1. Ghosh A, **Somani B K**.  
Recent Trends in Post-Cystectomy Health-Related Quality of Life (QoL) favors Neobladder Diversion: Systematic Review of the Literature.  
*Urology*, 2016 Jul;93:22-6.
2. Ali AS, Hayes MC, Birch B, Dudderidge T, **Somani BK**.  
Health related Quality of life (HRQoL) after cystectomy: Comparison between orthotopic neobladder and ileal conduit diversion  
*European Journal of Surgical Oncology*, 2015 Mar;41(3):295-9.
3. Ishii H, Rai BP, Stolzenburg JU, Bose P, Chlosta PL, **Somani BK**, Nabi G, Qazi HA, Rajbabu K, Kynaston H, Aboumarzouk OM.  
Robotic or Open radical cystectomy, which is safer? A systematic review and Meta-analysis of comparative studies.  
*Journal of Endourology* 2014 Oct;28(10):1215-23.
4. Mishriki S F, Aboumarzouk O, **Somani B K**.  
Haematuria under 40 years: Who needs investigations? Long prospective large-cohort study.  
*Journal of Urology*, 2014, MP22-20.
5. Mishriki S F, Aboumarzouk O, Vint R, Grimsley S, Lam T, **Somani B K**.  
Routine urine cytology has no role in haematuria investigations.  
*Journal of Urology*, 2013 Apr;189(4):1255-9.
6. Ali A, Birch B, Hayes M, **Somani B K**.  
Has orthotopic Neo-bladder urinary diversion come of age? Evidence from a systematic review of literature.  
*Journal of Urology* 2013; 189(4): e582-e583.
7. Ahmed S, Aboumarzouk O, **Somani B K**, Nabi G, Kata S.  
Oral 5-aminolevulinic acid in simultaneous photodynamic diagnosis of upper and lower urinary tract transitional cell carcinoma – a prospective audit.  
*British Journal of Urology International*, 2012;110(11 Pt B):E596-600.
8. Mishriki S F, Vint R, **Somani B K**.  
Half the visible and half the recurrent visible haematuria have underlying pathology: Prospective large cohort study with long-term follow-up.  
*Journal of Urology*, 2012 May;187(5):1561-5.
9. Mishriki S, Rai B, **Somani B**, Aboumarzouk O.  
Is smoking associated with higher stage and grade bladder cancer? Prospective long-term follow-up study.  
*Journal of Urology*, 2012; 187(4): e647-e648
10. **Somani B K**, MacLenann S, N'Dow J  
Quality of life with urinary diversion.  
*European Urology Supplements*, 2010; 9(10): 763-771

11. **Somani B K**, Nabi G, Ahmad S, Kata S G.  
Diagnosis of upper and lower urinary tract transitional cell carcinoma (TCC) using oral 5-aminolevulinic acid (5-ALA) and photodynamic diagnosis (PDD): Prospective cohort study.  
*Journal of Urology* 2011; 185(4):e267-e268.
12. Mariappan P, Finney S, Head E, **Somani B**, Zachou A, Smith G, et al. Good quality white light TURBT (GQ-WLTURBT) with complete resection and detrusor muscle by experienced resectors as part of the benchmark for TURBT in NMIBC – validation across time and place.  
*British Journal of Urology International*, 2012 Jun;109(11):1666-73.
13. **Somani B K**, Nabi G, Wong S, Lyttle M, Atiemo K, McPherson G, N'Dow J.  
How close are we to knowing whether orthotopic bladder replacement surgery is the new gold standard? – Evidence from a systematic review update.  
*Urology*, 2009 Dec;74(6):1331-9.
14. **Somani B K**, Gimlin D, Fayers P, N'Dow J.  
Quality of life and body image for bladder cancer patients undergoing radical cystectomy and urinary diversion - A prospective cohort study with a systematic review of literature.  
*Urology*, 2009 Nov;74(5):1138-43.
15. **Somani B K**, Kumar V, Wong S, Pickard R, , Nabi G, Grant A, N'Dow J.  
Bowel dysfunction after transposition of intestinal segments into the urinary tract: 8-year prospective cohort study.  
*Journal of Urology*, 2007 May;177(5):1793-8.
16. **Somani B K**, Daliya P, Stenhouse G, Nabi G, N'Dow J.  
Herpetiform cutaneous metastases from transitional cell carcinoma of urinary bladder: Immunohistochemical profile of cytokeratins expression  
*Journal of Clinical pathology*, 2006;59:1331-1333.
17. Chakravarthi A, Ganta S, **Somani B**, Jones M A.  
Caecocystoplasty for intractable interstitial cystitis – long term result  
*European Urology* 2004; 46: 114-117.
18. **Somani B K**, Gimlin D, Fayers P, N'Dow J. What do patients feel about the information provision and support with decision making prior to cystectomy and urinary diversion (UD) surgery and does it correlate with their Quality of Life (QoL) post-surgery: Results from a prospective study.  
*Journal of Urology April 2011*, 185(4): e462.
19. **Somani B K**, Gimlin D, Fayers P, N'Dow J.  
Quality of Life (QoL) following cystectomy and urinary diversion depends on pre-op counselling and expectation of patients: Prospective study using SEIQoL-DW, VAS, SWLS and EORTC SAT32.  
*European Urology*, 9(2) 2010,149.

20. **Somani B K**, Gimlin D, Fayers P, N'Dow J.  
Body image and health are not the most important determinants of quality of life (QoL) for bladder cancer patients facing major surgery.  
*European Urology* 2008 (March);7(3):603.
21. **Somani B K**, Gimlin D, Fayers P, N'Dow J.  
Evaluation of SEIQoL-DW as a measure of Quality of Life in patients undergoing cystectomy for bladder cancer: patient's perspective.  
*Quality of Life Research Journal*; 2006(October); A-51: Abstract 1612.
22. Hayne D, **Somani B K**, Kushwaha R S, Wrightham E, Payne H, Boulos PB  
Anorectal Dysfunction after radiotherapy for Urological malignancy  
*British Journal of Cancer* 2004; 91(Suppl 1): 38.
23. Hayne D, **Somani B K**, Mellors C, Light A M, Ojha H, Thomas D R, Foster M C.  
Coding of superficial bladder cancer – Audit comparing a district general hospital and its regional cancer intelligence unit (RCIU)  
*British Journal of Cancer* 2004; 91(Suppl 1): 33.
