

Upper urinary tract: Ureter and Renal (pelvicalyceal) Urothelial tumour

1. Rukin N, **Somani B K**, Patterson J, Gray B, Finch W, McClinton S, Parys B, Young G, Syed H, Myatt A, Inglis J, Smith D.
Tips and tricks of ureteroscopy: Consensus statement Part I. Basic Ureteroscopy.
Central European Journal of Urology, 2015;68(4):439-46.
2. Rukin N, **Somani B K**, Patterson J, Gray B, Finch W, McClinton S, Parys B, Young G, Syed H, Myatt A, Inglis J, Smith D.
Tips and tricks of ureteroscopy: Consensus statement Part II. Advanced Ureteroscopy.
Central European Journal of Urology, 2016;69(1):98-104.
3. Wells H, **Somani B K**.
Diagnostic ureteroscopy can safely be done as a day case procedure: Prospective outcomes from over a 3-year period.
Challenges of Endourology meeting, Paris (2015).
4. Kata S G, Aboumarzouk O, Zreik A, **Somani B**, Ahmed S, Nabi G, Buist R, Goodman C, Chlosta P, Golabek T, Moseley H.
Photodynamic diagnostic ureterorenoscopy: A valuable tool in the detection of upper urinary tract tumour.
Photodiagnosis Photodyn Ther. 2016 Mar;13:255-60.
5. Wells H, **Somani B K**.
Accuracy and outcomes of diagnostic ureteroscopy: Results for a University teaching hospital.
South Central Annual Urology meeting, 2015.
6. Kata, SG, Aboumarzouk O, Ahmad S, **Somani B K**, et al.
Photodynamic diagnostic ureterorenoscopy in detection of upper urinary tract urothelial cell cancer: Our first 100 procedures.
Lasers Med Sci (2013) 28:1224.
(Prize winner at British Medical Laser Association meeting, 2013)
7. Upper urinary tract: Role of photodynamic diagnosis.
Aboumarzouk O M, **Somani B K**, Ahmad S, Moseley H, Nabi G, Kata G K.
Journal of Urology 2013; 189(4): e368-369.
8. Aboumarzouk O M, Ahmad S, Mains E, Nabi G, **Somani B K**, et al.
Diagnosis of upper urinary tract tumours: Is blue light assisted ureterorenoscopy required in addition to modern imaging and ureterorenoscopy?
British Association of Urological Surgeons annual meeting 2013.
