

Southampton and Salisbury breast screening service

Screening dates

Women from the following GP practices will be invited for screening on a three yearly cycle. Approximate dates for screening each GP practice are listed below, along with the site allocated.

Please note it is not always possible to return to the same screening site. However your invitation will clearly state where and when your appointment has been made for.

Please check your screening invitation letter for the full details of your appointment. If you wish to change your appointment (including the location) please contact the breast screening office using the contact details on your invitation letter. Appointment changes cannot be made by staff on the mobile screening vans.
