

NIHR BRC Imaging Network Meeting – Abstract deadline extended to 19th January

National Institute for Health and Care Research (NIHR) Biomedical Research Centre (BRC) colleagues are invited to submit abstracts for the next national NIHR BRC Imaging Network Meeting.

The NIHR recognises the importance of imaging and is working towards building research capacity and capability in this area. The [NIHR Imaging Group \[sites.google.com\]](#) plays a key role in this, as well as advertising and facilitating imaging research nationally. The national NIHR BRC Imaging Network works in tandem with the NIHR Imaging Group to develop the science and deliver the research.

The University of Manchester is hosting the upcoming network meeting on **Monday 18 March 2024** (details to follow). Those working on active imaging projects are encouraged to submit an abstract.

There will be an opportunity for flash presentations and poster presentations at this meeting, with a small prize awarded for best talk and poster.

Submission guidelines:

- **Theme:** Must be a project you are currently working on.
- **Authors/affiliations:** Please include all authors and affiliations – these are not included in the word count.
- **Word limit:** 300 words, to fit one side of A4. Include background, methods, results and discussion/conclusion sections.
- **Figures:** You may include one figure in your submission.

The deadline for submissions has been extended to Friday 19th January 2024.

Submit your abstract as a **PDF file** to matthew.birkbeck@nhs.net. Please indicate in your email if you wish to be considered for oral/flash presentation, poster only, or both. Submissions will be scored by the group with results to be returned by Friday 16th February 2024.
