Stammers, Dr. Matthew Harvey (Matt)	Consultant	Financial interests	Shareholdings and other ownership interests	I am now a director of RUM - "Really Useful Models". This is a company limited by guarantee aiming to solve problems at scale within the NHS in an open-source fashion. For the hospital, it probably represents more of a coincidence of interests rather than I have a minor shareholding in BOLD health - post-dilution this is I believe now 1% of the company (although they got very behind on sorting out the legal aspects). I started working with them as a medical advisor in 2018 and stopped working with them in	I now only have informal ad-hoc contact with them and try very hard not to let my historical affiliation with them affect my clinical practice.	31/01/2022 00:00	16/03/2018 00:00
Stammers, Dr. Matthew Harvey (Matt)	Consultant	Financial interests	Shareholdings and other ownership interests	I have now incorporated a company - ClinTriage Ltd. This is currently a dormant company and the purpose of incorporating it is to associate the intellectual property (IP) coming from my DM with the company, not myself and also to help protect the name fo	As above. This has been done in good faith with the intention of helping the hospital in the longer term while also ensuring the future commercial viability of whatever I might discover during my DM. This very action was advised during my appraisal (see 2	07/11/2021 00:00	01/01/2021 00:00
