

Research publications by Mr Vijaya Kumar Hosahalli Kempanna

- **V Kumar*, M Ricks, S Abouel- Enin, DG Dunlop**, Long Term Results of Impaction Bone Grafting using Synthetic Bone Graft (Apapore) in revision Hip Surgery.
Published in *Journal of Orthopaedics* 14(2017) 290–293. (Peer reviewed journal)
- **N Vasukutty, V Kumar*, M Diab, W Moussa**, Operative treatment of calcaneal fractures: improved outcomes and low complications rates with a strict management protocol.
Published in *Ann R Coll Surg Engl.* 2016 Aug 11:1-5. (Peer reviewed journal)
- **V Kumar*, S.Goyal, Michael Moss**, Current trends and advances in Bearing Surfaces in total joint arthroplasty - review article. Published in *Asian Journal of Arthroplasty* | Volume 1 | Issue 1 | July-Sep 2016 | Page 33-37. (Peer reviewed journal)
- **Textbook chapters published as first author – textbook - The Hip Joint, CRC press, Panstanford Publications, published in Oct 2016, Vijaya Kumar Kempanna*, Robert Jennings:**
 1. Fracture Neck of Femur in Adult
 2. Slipped Capital Femoral Epiphysis
 3. Leg Calve Perthes Disease
- **Kumar V, H Haran, Goyal S, Oliveira M**, Isolated traumatic dislocation of proximal tibio-fibular joint - case report of the rare injury.
Published in *JUCMS*, Dec 2014, Vol 2, no.4, issue 08 (Peer reviewed journal)
- **V Kumar*, P Kanabar, P J Owen, N Rushton**, Less invasive stabilisation system (LISS plate) for the management of periprosthetic femoral fractures around hip arthroplasty. Published in *Journal of Arthroplasty*. 2008 Apr; 23(3):446-50. (Peer reviewed journal)
- **V Kumar*, N Rushton**, Outcome of total hip arthroplasty in Gaucher's disease patients. – Published in *HIP-INTERNATIONAL*, 2007, 17, 164-169 (Peer reviewed journal)
- **P Kanabar, V Kumar*, P J Owen, N Rushton**, Less invasive stabilisation system plate for distal femur fractures. Published in *Journal of Orthopaedic Surgery*, 2007, 15(3), 299 - 302 (Peer reviewed journal)
- **V. Kumar*, E.W.K Peng, M.O Fitzpatrick, I.R Whittle**, Tectal plate cysts in adults – Published in *Acta neurochirurgica* (European Journal of Neurosurgery). 2006 Jul;148 (7):805-8. (Peer reviewed journal)
- **V Kumar¹, E.W.Peng¹, and I.R Whittle**, An unusual progression of thoracic spinal cord teratoma in pregnancy – Hormone mediated pathway.
Published in *British Journal of Neurosurgery*, 2006 Apr;20(2):106-8 (Peer reviewed journal)

Abstracts published

- **V Kumar*, P Kanabar, P J Owen, N Rushton**, LISS plate for the management of periprosthetic femoral fractures around hip arthroplasty - JBJS (Br) 2008 vol. 90-B no. SUPP II 382, Orthopaedic proceedings.
- **V Kumar, P Kanabar, * P J Owen, N Rushton**, LISS plate for the management of periprosthetic femoral fractures around hip arthroplasty , HIP-INTERNATIONAL Vol-16, No-2 (Abstracts from the European Hip Society 2006 Meeting).
- **P Kanabar, V Kumar*, P J Owen, N Rushton**, Results of distal femoral fractures treated with LISS plate, 7th European Trauma Congress in Slovenia, 14-17 May 2006. **Abstract published** in *European Journal of Trauma*, Vol -32, supplement-1, No-439.
