

Patient and visitor parking map

The nearest car park to Victoria House is the Blue Car Park but unfortunately it does tend to fill up quickly. It is accessible through the middle barrier from the entrance on Tremona Rd (approx. 100m further down than the Ronald McDonald House/Eye Unit Entrance) and via the entrance on Coxford Road.

If the Blue Car Park is full, please try the Orange Car Park by the Main Entrance.

Please report to Victoria House **Entrance A**, if this entrance is closed due to building work, please use **Entrance B** on the side of Victoria House.
