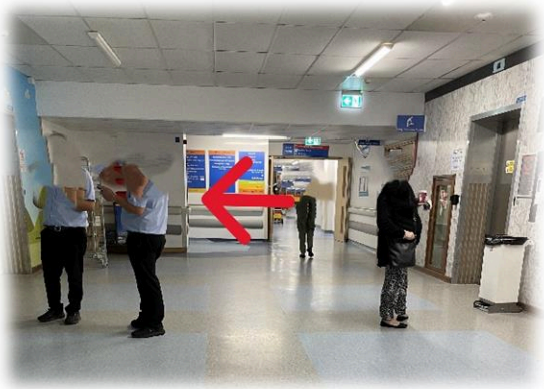
Directions to the Heartbeat Education Centre
from Southampton General Hospital main entrance

The Heartbeat Education Centre is on F level, North Wing, but is **only accessible using the North Wing lift or stairs**.

Walk through the concourse, past the shops until you have M&S café in front of you.
Turn **left** and walk towards the East Wing lifts.



Once you enter the lift area, there is a corridor far left corner marked North Wing.

The corridor sign says Heartbeat Education Centre at the bottom.
Follow the corridor round, past radiology and AMU.

Keep going along this corridor.

Just before the exit there is a single lift on the right. Take this lift up to F level.

If you prefer stairs these are slightly further down, on the right.

Entrance to Heartbeat Education Centre.
